QUOTATION FOR DOMAIN AND HOSTING AND REPOSITORY TRANSFER FOR KONDOKO PORTAL

BILLED TO

SSB GROUP OF COMPANIES

OVERVIEW

Currently **Kondokoportal.com** hosting and domain is under **ChromaticSoftwares** namecheap account, The project owner requested for full transfer of the hosting and domain to their namecheap account together with project github repository.

ChromaticSoftwares will be transferring said accounts to **KONDO KO** including responsibilities tied to those accounts, they are assumed to pay **PHP 4,000.00 for hosting** and PHP **1,200.00 for domain** every year. Github Account for **KONDO KO** will be created as well and release the credentials to them. That github account will be the deployment repository for this project.
